## REPORT OF THE SELECTMEN

The year of 1960 has brought to our town many varied problems. We wish to report to the citizens of the town that your Selectmen have tried to deal with them in a manner which would keep faith with you, the people who elected them.

Our assessed valuations in Town have increased some, due to the new houses and cottages being built. However increased costs all along the line have raised our tax rate from \$5.98 to \$6.06.

We have had an increase in the Duncan Fund from the State. This allowed us to build over the Street which leads from Jagemann's Corner on Route 106 to School Street. We hope to surface treat this Street in the coming year.

As voted by the town we took over the road back of Clough Pond. Our Road Agent has greatly improved this road. We would like to thank the people who own lots and cottages around the pond for the sum of money they contributed toward this project. It made it possible for a more complete job.

The road in the Upper City District was completed by sealing this summer. The Clough Hill Road leading across our new Pearl Bridge, was graded and tarred. This is a T.R.A. project and T.R.A. money was used.

Your Selectmen, with the cooperation of the State also laid out the road from Loudon Ridge to Pearl Bridge. This is also a T.R.A. project. A beginning was made by bulldozing and shaping the road from the Ridge to Green's Bridge. Culverts were replaced, bushes cut and a considerable amount of gravel hauled.

A snow plow along with a second hand wing was purchased for our town truck.

Your Selectmen also had the privilege of presenting the Boston Post Cane to Miss Ellen Kenney as the oldest citizen of our Town.

We would like to express our appreciation and thanks, in behalf of the town people, to the American Legion Post, No. 88, for the beautiful American Flag presented to us during 1960.

We would like to thank all the town officers for their cooperation in all our endeavors. We have enjoyed working with them, and with all the other people of our Town.

1. To choose all necessary Town Officers for the year ending June 30, 1961.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make up appropriations of the same.
3. To see if the Town will vote to allow 5% discount on all property taxes paid within thirty days after presentation of tax bill.
4. To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow a sum or sums of money not to exceed in the aggregate more than 75% of the anticipated amount to be collected in taxes for the current municipal year, and to issue in the name and on the credit of the Town of London negotiable notes therefor, said notes to be paid in 1961 from taxes collected during the current municipal year.
5. To see if the Town will raise and appropriate the sum of \$1,000.00 for the Capital Reserve Fund.
6. To see if the Town will vote to authorize the Selectmen to use such Capital Reserve Funds as necessary to trade Town Truck.
7. To see if the Town will vote to raise and appropriate the sum of \$110.00 for the Concord Hospital which is 1.2% of the \$92,001.00 estimated deficit for the year 1961.

THE STATE OF NEW HAMPSHIRE

---

*To the Inhabitants of the Town of Loudon in the County of Merrimack in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at Town Hall in said Loudon on Tuesday, the fourteenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to allow 2% discount on all property taxes paid within thirty days after presentation of tax bill.
4. To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow a sum or sums of money not to exceed in the aggregate more than 75% of the anticipated amount to be collected in taxes for the current municipal year, and to issue in the name and on the credit of the Town of Loudon negotiable notes therefor, said notes to be paid in 1961 from taxes collected during the current municipal year.
5. To see if the Town will raise and appropriate the sum of \$1,000.00 for the Capital Reserve Fund.
6. To see if the Town will vote to authorize the Selectmen to use such Capital Reserve Funds as necessary to trade Town Truck.
7. To see if the Town will vote to raise and appropriate the sum of \$416.00 for the Concord Hospital which is 1.3% of the \$32,004.00 estimated deficit for the year 1961.

8. To see if the Town will vote to raise and appropriate the sum of \$50.00 to purchase advertising in 1962 Guide of the Merrimack Valley Region, or act in relation thereto.

9. To see if the Town will vote to authorize the Fire Board to expend the sum of \$25.00 from the Fire Department Budget for the purpose of covering the electric bill for operating the Town Fire radio.

10. To see if the Town will vote to authorize the Selectmen to add any capital from the sale of Town property to the Capital Reserve Fund that was set up in the 1959 Town Meeting.

11. To see if the Town will vote to raise and appropriate the sum of \$1.00 to purchase the Ridge School house for auxiliary fire purposes.

12. To see if the Town will vote to raise \$25.00 to be expended in cooperation with the New Hampshire Forestry and Recreation Commission for the opening and maintaining of trails and old roads for forest fire protection. The New Hampshire Forestry and Recreation Commission to provide a matching sum not in excess of \$25.00 for this purpose.

### 13. By Request of Loudon Planning Board

Whereas, the welfare and safety of the public is concerned, the Selectmen of the Town of Loudon, be empowered to promulgate and regulate the parking of motor vehicles in the public places in the Town. Suitable signs and markings of restricted areas be applied.

## ROAD AGENT'S REPORT

This past year, besides the regular grading and maintenance, has seen two new projects started. At Clough Pond, the road was widened and graveled, with three new culverts installed. Also at Marston's Road, (between Route 106 and School Street), the road widened and graveled, together with the needed culverts installed. The latter will be tarred next year.

Following is a list of regular maintenance, Winter and Summer, that was completed in 1960:

Bridge completely rebuilt at Epp's Mills.

The steel stringers at Twin Bridge were scraped, painted, and reinforced.

New culverts at Bear Hill, Clough Pond Road, and Gil-manton Road.

Bushes cut on Penacook Street, Lovejoy Road, Chichester Road, Pleasant Street, Ridge Road, and at Loudon Ridge.

About 15,000 gallons of tar, and 30 ton of Cold Patch applied.

About 600 yards of sand for Tar and Winter Roads.

All culverts were cleaned thoroughly.

About 75 ton of Salt was applied to Winter ice and snow.

Approximately 1,000 yards of gravel hauled.

Ninety-three books have been given to the Library by Mrs. John Chaplin of Reading, Massachusetts. The books were given in Memory of the late Everett K. Jenkins.

During June and July the interior of the Library was redecorated. The walls were painted and the woodwork and floor were varnished giving the Library a new look.

Both grade four and grade seven have visited the Library during the past year. Mrs. Towle and Mrs. Edmunds accompanied the pupils. Fifteen boys and girls signed for library cards at this time. Several of the pupils had never been inside the Library before.

Your contributions of books and magazines have been greatly appreciated and I extend my sincere thanks.

The Library is open from two until six and from seven until eight on Tuesdays and Saturdays except on Holidays. Visit your Library often.

Respectfully submitted,

MARGUERITE E. BUZZELL,

## REPORT OF THE LOUDON PLANNING BOARD For 1960

The Planning Board held regular monthly meetings throughout the year. The meetings were held at the Fire Station on Saturday evenings and were open to the public so that any interested person could attend, and if he wished, present to the board ideas for the betterment of the town.

The board cooperated with the selectmen in improving the town bathing beach at Clough Pond, in erecting road signs and other similar matters.

One important matter under discussion was the question of providing a civic center, primarily to serve the young people of the town.

Another item of importance was the proposal to actively promote Loudon as a suitable area for industrial development. This would aid materially the tax situation.

The board plans to continue its activities during the coming year toward the promotion and betterment of the town of Loudon and its residents. Toward this end it welcomes suggestions and extends an invitation to any interested person to present his views to the board.

Respectfully submitted,

STANLEY H. PRESCOTT, *Chairman*

## REPORT OF FIRE DEPARTMENT

During 1960 we made 39 emergency runs for — 3 buildings, 10 chimney, 3 grass, 5 motor vehicle fires, 1 lost persons, 1 drowning, 5 mutual aid, and 11 miscellaneous runs.

Help was asked for and received from Concord, Chichester, Canterbury and Pittsfield.

The system for alerting the men in time of need has been expanded and improved. Over two miles of wire has been procured and hung by men of the Department, with additional call boxes placed in several more homes.

Many hours of expert instruction in use of the Resuscitator and allied rescue methods were received by men of the Department from the Penacook Rescue Squad.

One Scott Air-Pak was purchased this past year. This equipment enables a man to enter an area filled with smoke, gas, and poisonous fumes. An independent air supply is carried, sufficient for 30-45 minutes. A spare tank of air, purchased by local Civil Defense, is carried on the truck at all times.

One man should not enter an area void of air alone, so in 1961 we hope to purchase another unit for better efficiency and safety.

Our radio net is one of the best. One base station and two mobile units were added in 1960. When needed, help can be called from neighboring towns quickly.

Men from the Department attended a training session at the Meadowbrook drill yard, Fitzwilliam, this past fall. This training is conducted by professional firemen, who are experts in their field. Instruction was received in ladder work, rescue methods, hose laying, proper use of breathing apparatus, extinguishing oil fires, work on a burning building, and other related subjects. It was time well spent.

The Ladies' Auxiliary is still a very necessary unit of the Department. During 1960 members received many hours of instruction in use of trucks and pumping equipment, reading the fire alarm tape, re-setting the fire alarm panel,

and in proper communication procedure. If a man power shortage occurs they are capable of filling many jobs.

HARLAN DOWNES,  
*Chief*

### REPORT OF FOREST FIRE WARDEN

In 1960 the Town had no loss from forest fires. More proof that being careful and practicing fire prevention pays.

You **MUST** have a permit to kindle **ANY** outside fire when the ground is bare.

Permits may be obtained at the Warden's home, and from Deputy Warden Royal Page, Loudon Ridge.

Report all smokes and fires promptly, to Fire Department, Warden, or any Deputy Warden.

Fast response follows prompt reporting, resulting in less loss and small expense.

With everyone's full co-operation Loudon can maintain its enviable record in 1961.

**ALWAYS BE CAREFUL. FIRE PREVENTION PAYS.**

## CIVIL DEFENSE

On May 3, 1960 another National Test Alert was held.

The Control Center at the Loudon Fire Station was manned from 2 P.M. to 9 P.M. Units that were operational were, Attack Warning, Communications, Police, Manpower, Fire, Evacuation and Transportation, Welfare and Supply.

Our Communications officer received the test alert, yellow via radio (Forestry Frequency) at 2:07 P.M.

Our RADEF unit then received by radio the UF (upper fallout) weather forecast broadcast.

Our Transportation Officer proceeded to the school and together with the Education Officer evacuated the school. The Transportation Officer transported the children home between the yellow and red alert. (Thanks to our school system that cooperated 100%)

Our police took their stations at check points and on the Red Alert stopped all traffic at two points on Route No. 106 and one point on Route No. 129 until the all clear was sounded.

Engine No. 1 was dispatched across the river to a location near the school, under the direction of the Fire Chief on the Yellow Alert and remained there until the all clear.

Our Welfare & Supply Officer worked out a number of problems during the afternoon pertaining to housing and feeding evacuees.

Our RADEF group accepted all communications received from our communication officer during the afternoon and evening. They worked out the problems to the best of their ability and reported the same to the State RADEF Officer.

I know as you people must that these tests are some what false in timing because of the long warning we have, yet we have to prepare the best we can. Most of our C. D. Workers work out of town and took time off for this test. I am wondering how long it would take for our group to be activated and operational without any previous warning. I hope as you must we don't have to find out the hard way.

## LOUDON SCHOOL DISTRICT

### Annual Meeting Proceedings — March 5, 1960

Meeting called to order by Moderator Stanley H. Prescott, 7:37 P.M. The warrant was read.

ARTICLE 1: To choose a Moderator for the coming year.

Stanley H. Prescott was nominated as Moderator by Mrs. Jean F. Hardy. Voted the Clerk cast one ballot and he was declared Moderator for one year by the Clerk.

ARTICLE 2: To choose a Clerk for the ensuing year.

Nominations for Clerk: Mrs. Pauline Haines by Fred Dirth; Mrs. Ellen Foster by William Brown.

Ballot Inspectors appointed were Lauris Moore and Gerald Smith. William Brown made the motion and Homer LaBonte seconded it that we have four Ballot Inspectors. Fremont Swain was asked by the Moderator and the Moderator acted as the fourth Inspector.

The school check list was used and the result of the election of Clerk was as follows:

Total Votes Cast	135
Mrs. Pauline Haines	101
Mrs. Ellen Foster	32
Blanks	2

Mrs. Pauline Haines was declared elected Clerk for one year.

ARTICLE 3: To choose a member of the School Board for the ensuing three years.

Nominations for a member of the Board:

Raymond C. Cummings by Fred Dirth

Beatrice Jenkins by Charles Cate

Nathan Smith by Harrison Smith

Motion by John Evans that ballots from previous vote be destroyed. Voted nominations be closed.

Total votes cast	142
Raymond C. Cummings	54
Beatrice Jenkins	39
Nathan Smith	49

Raymond C. Cummings was declared elected for three years. Mrs. Jean F. Hardy moved that ballots be destroyed.

ARTICLE 4: To choose a Treasurer for the ensuing year.

Fred J. Hackett was nominated Treasurer by William Brown. Richard Malfait moved that the Clerk cast one ballot and Fred J. Hackett was elected Treasurer for the coming year.

ARTICLE 5: To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

William Brown moved that this article be voted on under Article 8.

ARTICLE 6: To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

No report given on consolidation of schools. It was reported by Mrs. Dorothy Downes, Chairman, that an outside fire alarm system had been installed at the school under the number of 6. Inside the school there is a bell system that can be rung if necessary, or used for fire drills. Mrs. Downes also reported that the sale of school houses which was voted at last year's meeting was illegal as there was no specific article for this in the warrant and that the School Board was still acting under Article 9 in the 1953 proceedings.

ARTICLE 7: To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

On motion of William Brown voted that town auditors serve as school auditors.

ARTICLE 8: To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income;

the school board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

On motion of Harold Hill voted to accept budget as read. Total of \$92,964.48, of which the sum to be assessed by taxes is an estimated \$62,557.63. This motion also included Article 5.

ARTICLE 9: By request: To see if the School District will vote to allow Loudon Boy Scout Troop 247 the use of the School premises for their regular meetings. Any damage to the building or premises to be paid for by the troop.

Ira LeGeyt moved that this article be accepted. After some discussion the article was voted with a yes or no ballot.

Total votes cast	137
Yes	57
No	78
Blanks	2

Moderator declared this motion lost. Moved that ballots be destroyed.

ARTICLE 10: To transact any other business that may legally come before this meeting.

On motion of School Board Member, Anne Brown, a rising vote of thanks was shown to the retiring member of the Board, Dorothy Downes for sixteen years of loyal service.

The next annual meeting to be held on the Saturday night preceeding town meeting at 7:30 P.M. 1961.

Meeting adjourned at 9:40 P.M., with the salute to the flag.

Respectfully submitted,

PAULINE M. HAINES,  
*Clerk*

The foregoing is a true copy of the proceedings of the meeting, attest.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

*To: The Loudon School Board and Citizens of Loudon.*

It is a pleasure to submit this annual report of the condition of your local school.

Several changes have occurred in the system during the past year. A new school principal replaced Mr. Richard Hislop who left elementary teaching for work in the high school field. Mr. William Lance, a young man with two years of elementary administration experience, assumed the principalship last September. There were no other changes in the school staff at the beginning of the year, but overcrowded conditions in the first grade demanded that an additional teacher be hired to help Mrs. Lampron at the beginning of the second term.

The School Board approved the purchase of one complete set of new desks for the eighth grade. These have added much to the appearance of the room. The desks in the seventh grade were all resurfaced, the school building was given a thorough cleaning, needed painting was done and other maintenance work was taken care of through the efforts of the school committee. This planned maintenance program is well worth while; a little done every year is the most economical way to keep school buildings up.

The enrollment of the school has very noticeably increased in the past year, especially at the elementary grade level. This means that next year you will need to plan for two teachers for the first grade. Right now we are experimenting with having two teachers in that grade. Four days per week the teacher has small groups of this first grade in the large basement room for teaching purposes, thus dividing the first grade into two smaller units. This is working out very well indeed, and giving the children the attention that they should have. Another classroom should be constructed within this basement area for next year and two first grade teachers employed. A first grade teacher should have no more than twenty-five children to teach — in justice to herself and to her pupils.

The work of the music teacher has contributed considerably to the improvement of the school this year. It has served to make available to the children an opportunity to hear and produce some good music within the classroom. This is an added benefit to the children themselves and serves as an enrichment to their daily living. All the regular teachers have assisted the music teacher during music periods and have done much to promote interest in this fine art.

The children of Loudon have shown an unusual interest in art and have displayed exceptional talent in that area. This work too has been encouraged and promoted to an unusual degree by the teachers.

Tests in achievement and intelligence have also been given to all eighth graders this year by the Duroches Testing Service of Dunbarton. This makes it possible for the teacher to know more about the abilities and capacities of the pupils who will be planning to attend high school next year.

All these things are a part of a modern school system of today, — a part of our American Educational Heritage. They are made available to all children so that they may be better educated to meet the challenges of an advancing world.

Respectfully submitted,

WILLIAM B. HOUNSELL,  
*Superintendent of Schools*

## State Board of Education Policy Concerning the School Year and the School Day

---

During the winter of 1959-1960 a statewide committee appointed by me studied the implications of the law passed by the 1959 General Court requiring that schools be in session 180 classroom days. As a result of the recommendations made by that committee, the State Board of Education at its March, 1960 meeting approved the following policy:

“For the purpose of fulfilling the intent of the 180-day school year law (RSA 189:1 as amended by 1959, 133:1) enacted by the 1959 General Court, the following provisions shall become effective beginning with the 1960-1961 school year:

*SCHOOL.* A division of the school system consisting of a group of pupils composed of one or more grade groups, organized as one unit with one or more teachers to give instruction of a defined type, and housed in a school plant of one or more buildings. More than one school may be housed in one school plant, as is the case when the elementary and secondary programs are housed in the same school plant.

*SCHOOL YEAR.* The school year shall consist of a minimum of 180 school days.

*SCHOOL DAY.* A school day is a day when a school is operated for at least the minimum length of time prescribed below exclusive of the lunch period.

Grade One	4½ hours
Grades Two — Eight (Elementary)	5¼ hours
Grades Seven — Twelve (Secondary)	5½ hours

Recess periods may be counted as part of the elementary school day but not as part of the secondary school day. Organized activity periods and homeroom periods are con-

sidered a part of the school's instructional program and may be counted.

*SHORTENED SCHOOL DAY.* A shortened school day may be considered a "school day" when the safety, health or welfare of the pupils necessitates operation of the school for less than the minimum time specified above but for a period of not less than  $3\frac{1}{2}$  hours.

*SCHOOL HALF-DAY.* A school half-day in the elementary school shall consist of either a regular morning session or a regular afternoon session or the major portion of either.

A school half-day in the secondary school shall consist of either one of the following:

(1) At least one-half of the regularly scheduled periods of a "school day"

or

(2) A minimum of three hours.

Two "school half-days" may be considered a "school day."
